

UKUUG Open Source Award 2004

**Applications are invited for the
UKUUG Open Source Award 2004.**

**The value of the prize shall be £500 *plus*
a pass to the Open Source Convention.**

**The closing date for submissions is
Friday, 2 April 2004.**

This UK UNIX Users Group prize is awarded annually (if submissions of sufficient merit are received) for a *significant contribution to free and open source software*; this might be in the form of an *article or paper, software product, or other contribution*.

We are looking for a work or project that is, or might be, significant in the world of open source. Student projects are eligible. If the work is part of a joint project, the personal contribution should be stated clearly.

Initially, a one-page summary (accompanied by an abstract and a short biography of about 250-500 words) of the work should be sent to UKUUG's Secretariat.

The judging panel will include representatives from UKUUG, UK computer science departments, and the wider community. If the judges are unable to distinguish between the merits of the best candidates, the prize shall be divided accordingly. No person may be awarded the prize more than once.

UKUUG are giving a prize of £500, to which **O'Reilly UK Ltd** (www.oreilly.co.uk) are generously adding both a pass to the Open Source Convention (conferences.oreillynet.com) which will be held 26-30 July in Portland, OR, USA, and monies for travel and accommodation.

Enquiries and submissions should be sent to

UKUUG Secretariat
PO Box 37
Buntingford
Herts SG9 9UQ

Telephone: 01763 273 475
