UKUUG Sponsoring Member

INTRODUCTION: For several years, UKUUG has offered a sponsoring membership category. This allows sponsoring companies to gain exposure at our events on a regular and on-going basis.

UKUUG recognises that a sponsor may have a particular area of interest that they may wish to be instrumental in assisting and asks each sponsor to nominate such interests when making their annual commitment.

There are just two categories of sponsoring membership: **Gold** and **Silver**. The scheme is outlined below.

Flexible sponsorship of single events (outside the sponsoring membership scheme) is also available: speak to us if that is more suitable to your needs.

SPONSORING MEMBERSHIP: Sponsoring membership offers companies the opportunity of actively supporting UKUUG's events, and makes it easier for UKUUG to further its aims and objectives.

Membership provides an ideal mechanism to make new contacts, exchange views, and debate technical matters and other areas of interest. This involvement can increase the profile of a sponsor company by its association with this leading, independent group.

Sponsors should be aware that one of UKUUG's strengths is its vendor-independence. It thus asks that sponsors' involvement in UKUUG events and items that they ask UKUUG to publish are in accordance with UKUUG's principles and at least of general relevance to its membership.

We should be grateful if you would contact Jane Morrison at the UKUUG Secretariat (contact details above) with any queries or applications.
